Subject: Ethical Med Tech - Conference Vetting System - Assessment outcome decision

To whom it may concern,

With regards to the last email, I am pleased to inform you that our assessment concluded that the EMT4664 - 14th Congress of the World Federation of Interventional and Therapeutic Neuroradiology from from 16/10/2017 to 19/10/2017 in Budapest, Hungary is:

COMPLIANT

with the [Eucomed Code of Ethical Business Practice](#), subject to the following:

- a. In rendering this decision, we have relied on the documents and information which have been provided to us. We have not independently verified the accuracy of that information or of those documents nor have we determined whether they are up-to-date.
- b. The overall conference scientific programme has been reviewed, but not its scientific content.
- c. This decision does not take into account national or local laws, regulations or professional or company codes that may impose more stringent requirements.
- d. The [Eucomed Code of Ethical Business Practice](#) requires Eucomed members to notify in writing each sponsored Healthcare Professional's hospital administration, superior or locally designated competent authority with a full description of the purpose and scope of all sponsorship provided. It is up to each Eucomed member to comply with this transparency requirement.

This decision will be posted on www.ethicalmedtech.eu.

Sincerely,
Christine SAINVIL
